

Workshops will run from 10-11 on Saturday morning, July 28.

---

Offerings will include:

**How a Bluegrass Band Works** with Michael Cleveland and Flamekeeper  
Individual instruments' roles in the band, how they fit together, and how to arrange a song.

**Build a Traditional Bluegrass Fiddle Solo** with Annie Staninec  
Come with your fiddle tuned!

**Homegrown Singing** with Eden Greer  
Techniques for relaxing to improve your sound. Learn to cultivate the 7 habits: careful listening, body awareness, breathing, emotional awareness, intonation, phrasing and choice of material.

Two more workshops by **Jeff Scroggins and Colorado** – watch this space for updates!

Workshops are subject to change based on circumstances we can't even imagine right now.
